## **DR. SALAR'S FORMULA FOR SUDDEN CHEST PAIN AND HEAVINESS**

**This formula is a highly effective homeopathic product for treating severe, sudden and violent constricting pain**, similar to a band or wire digging into the chest or the heart. This pain can periodically get worse from lying on the left side as well as by exertion.

**Chest pain that radiates to the shoulder, arm, hand, and fingers plus numbness in the fingers.**

Upon feeling these symptoms, the patient should immediately dial 911 and seek Medical or Emergency care. However, it is advised that the patient use this product on the way to seeking medical care in order to help relax the blood vessels in the heart as well as relieve the constricting pain.

**It is wise to take this formula on the way to receiving Medical care, in order to decrease constricting pain and relax the heart's blood vessels.** This formula may lessen the ischemia (oxygen deficiency) of the walls of the heart and help other heart complications. This formula is not intended to replace medical care. It is wise to consult your Doctor.

This type of constricting chest pain is different from the pain caused by blocked arteries in the heart.

### **CARBO VEGETABILIS (VEGETABLE CHARCOAL)**

Dr.Nash, a homeopathic physician says (Carbo veg is a cylinder of oxygen and China officinalis is a bottle of blood in a homeopathic physician's hand.

Dr. Salar Farahmand is using Carbo veg in his formula to help patients for shortness of breath caused by different disease states.

### **People who benefit are people with the following symptoms:**

- Symptoms of imperfect oxidation, resulting from poor blood circulation, which causes blueness of skin and coldness of the extremities.
- Chest or heart condition, difficulty breathing and suffocation feeling are accompanied by the weakness in the chest.
- Patient who have difficulty breathing when lying down. Feel better by sitting in the chair near the window and by fanning. Themselves they need frequent deep inspiration, especially during the evening hours and in bed.
- Patient with breathing difficulty while waking.
- Wheezing and rattling of mucus in the chest.
- Feeling's of suffocation caused by flatulency (gas blotting in stomach), accompanied by feeling's of chest tightness with a sensation of fullness and anxiety and fatigue.

Homeopathy cures a larger Percentage of cases than any other method of treatment.
