

Packet For Surgu

6/13/05

I had

When I to undergo surgery to
remove a tumor from my cheek
I was absolutely terrified of how
much pain I would be in afterwards.
When I came to see Dr. Salar Farahmand.
I asked if there was anything
he could do to help with my
post op. Well he did more than
help. He gave me his packet for
Surgu which not helped with the
pain but also relieved me from
the swelling and bleeding. I couldn't
~~even more~~ believe how
well it worked. ~~and how fast~~
Most people would of looked like
a chipmunk after the surgery I
had, but luckily I was able to
find the help of such a caring
and wonderful doctor as Dr. Farahmand.

Thank You!
