

OVER FOUR YEARS AGO I MET DR. SALAR FARAHMAND. I WAS TAKEN BY A FRIEND WHO OVERCAME MY SKEPTICISM. I HAD TRIED SO MANY APPROACHES TO HEALING THAT BY THE TIME I MET DR. FARAHMAND I HAD LITTLE FAITH IN ANY RECOVERY.

THANK GOD MIRACLES STILL HAPPEN.

I HAD BEEN SUFFERING FROM EXTREME EMOTIONAL AND NERVOUS DISORDERS FOR MOST OF MY LIFE. IN CONJUNCTION WITH THAT I SUFFERED FROM SOME SERIOUS PHYSICAL AILMENTS AS WELL. I HAD HEPATITIS TWICE AS A CHILD. I ALSO HAD A SLEEP DISORDER CALLED RESTLESS LEG SYNDROME THAT WAS ABSOLUTELY TORTUROUS. I ALSO HAD A VERY PAINFUL DISORDER CALLED I.C. IT IS A BLADDER CONDITION THAT CAUSES EXTREME PAIN AROUND THE ENTIRE GENITAL AREA. ALSO I HAD EPSTEIN BAR VIRUS AND CMV. TO SAY THE LEAST I FELT OVERWHELMED AND SO PAINED THAT I COULD NOT SEEM TO UNDERSTAND WHY AND WHAT I NEEDED TO DO TO TURN THIS AROUND.

I WAS INVOLVED WITH MANY DIFFERENT KINDS OF HEALING WORK. I HAD TRIED HOMEOPATHY IN THE PAST WITH A VERY WELL KNOWN DOCTOR, BUT LITTLE RESULTS. AFTER YEARS AND YEARS OF SEARCHING AND TRYING SO MANY FORMS OF TREATMENT I FINALLY ENDED UP ON PSYCHIATRIC MEDICATION. IT WAS SIX YEARS OF DOCTORS UPON DOCTORS AND DRUGS MIXED WITH MORE DRUGS. I ENDED UP READY TO KILL MYSELF FOR REAL. I WAS TOLD I WAS A HELPLESS CASE.

THEN I MET DR. FARAHMAND. HE TOLD ME I COULD GET WELL AND WOULD GET WELL. HE EXPLAINED THAT ALL THESE SYMPTOMS AND DISORDERS WERE NOT CONFINES I WOULD HAVE TO LIVE WITH. I OPENED UP ONE MORE TIME TO HOPE. I DID EVERYTHING HE TOLD ME. I CAME 2 - 3 TIMES A WEEK. IN MY USUAL STYLE I GOT TOTALLY INVOLVED AND CAME TO LOVE HOMEOPATHY AND THE

**DOCTOR THAT PATIENTLY GUIDED ME THROUGH AN AMAZING HEALING JOURNEY.**

**IT WAS NOT ALL PLEASANT BUT THAT WAS O.K BY ME. I WAS READY TO ALLOW A DEEP HEALING TO TAKE PLACE AND THAT TAKES UPS AND DOWNS. I WATCHED AS EVERYTHING BEGAN TO CHANGE, WITHIN TWO WEEKS I WAS NO LONGER SUICIDAL. IT ONLY GOT BETTER FROM THERE. AT FIRST DR. HANDLED THE ACUTE DISCOMFORT. SLOWLY HE GOT TO THE CHRONIC CONDITIONS.**

**I CAME TO DR WITH SUCH COMPLEX ISSUES. I FELT OVERWHELMED CONSTANTLY. I COULDN'T TALK ON THE PHONE WITH OUT FEELING SICK. FOR OVER A YEAR I HAD BEEN IN BED SO FATIGUED. FOR OVER TEN YEARS I COULD NOT WORK MUCH AT ALL. I HAD DEEP EMOTIONAL ISSUES REGARDING SEPARATION ANXIETY, WHICH MADE IT ALMOST IMPOSSIBLE FOR ME TO MOVE ABOUT IN MY LIFE. I WAS IN SUCH FEAR AND PANIC ABOUT MY RELATIONSHIPS. I HAD BEEN HOSPITALIZED FOR THE CONDITION SEVERAL TIMES. I EVEN ENDED UP LIVING IN MY VAN TO TRY AND REDUCE MY ANXIETY BY SIMPLIFYING MY LIFE.**

**THE BEST WAY TO TO DESCRIBE MY TRANSFORMATION IS TO SHARE WHERE I AM AT TODAY. ON THE PHYSICAL LEVEL MY IC IS COMPLETELY GONE. MY RESTLESS LEG SYNDROME IS IMPROVED SO MUCH I CONSIDER IT A MIRACLE. MY FATIGUE HAS LIFTED OFF MY LIFE. MY EMOTIONAL ISSUES ARE SO MUCH BETTER THAT I AM NOT IN MY EYES THE SAME PERSON. I AM CREATIVE AND CAN SUSTAIN GREATER AMOUNTS OF STIMULATION IN LIFE. I WORK ON SEVERAL PROJECTS THAT I HAVE INTEREST IN. I AM NOW ABLE TO TRUST MYSELF AND MY ABILITY TO GET THROUGH THIS LIFE WITH GRACE INSTEAD OF INSANITY, TRUST INSTEAD OF FEAR, ENERGY INSTEAD OF EXHAUSTION, AND SELF APPRECIATION INSTEAD OF SELF DISGUST.**

**DR. FARAHMAND WORKED WITH ME ON EVERY LEVEL IN ALL THINGS THAT I CAME TO HIM WITH. HE NEVER GAVE**

- Concentration is improving. Can concentrate for longer period of time.
- tiredness is also improving, but still feel tired after lunch, although not so tired as before.
- a little headache still, but lighter, in the sides of the head.
- pressure in some parts of the head, specially when something upsets me.
- some water retention during the day, but usually, no more during the night.
- usually some constipation. I had that problem since I was a child, but with the right diet and exercise, I could control it. Now, sometimes it gets harder to control.

My symptoms at the time of my visit with DR. FARAHMAND was to have: Low energy Depression - Anxiety followed by Restlessness and impatience - Loss of concentration and fears - Mostly Stage Fright. and I was getting worst As it was interfering with my physical health And Ability on ANY Daily Life.

During the interview and Diagnosis with DR. Farahmand, he has found out that the Problem is Relating to a shock and Trauma that Acured long time ago, when I was a kid. As a slipery Fall I got trauma to head (head concussion) After six weeks of special (divent stages) Treatment by DR Farahmand. I feel that all those symptoms are treated and almost all of my emotional problems are Disappeared And day by day I'm getting better and more energized and over all feeling like a brand

Dear Dr. Farahmand,

*would benefit from*

I am writing to document my success with your homeopathic treatments and various therapies over the last several months.

Initially, I met with you in March 1999, complaining of sleeplessness, depression, fatigue, anxiety, and a general feeling of malaise. You prescribed certain medicines and gave me magnet therapy and acupuncture and within a week my symptoms were completely gone. I experienced restful sleep, the depression lifted, my energy level increased and my outlook on life noticeably improved.

During additional visits, you treated me for allergies and severe back pain. I have been virtually free from allergy symptoms all summer, and within a half-hour of being treated for my back pain I was pain-free.

You also treated my son Jonathan for dermatitis on his face. Upon finishing his homeopathic remedy his dry patches cleared up and have not returned. Prior to being treated by you, he had been treated with several topical lotions and medications that did not improve his condition.

Your staff has been very accommodating with my appointments as I live out of town, and you have been gentle with your treatments. I have not experienced such great successes with traditional doctors and medications and am grateful for your commitment to homeopathy and the other healing arts in which you are skilled.

Yours truly,
